from his late home, 71 Sixth street.
There was a large attendance. At St.

TAFTVILLE

Cribbage Tournament Half Over—
Teams' Positions Unchanged—Auto
Trip to Providence—Notes.

On Monday evening, continuing the
cribbage tournament, the Sacred
Heart T. A. B. society won from the
Lafayette club by 40 holes. The Taft-
ville Athletic club defeated the St.
Louis society by two points. The re-
spective positions of the four teams
remain the same, the T. A. B. leading
with over 300 points, the Lafayette
club second with 255, the Taftville
society has 167, and the St. Louis
society has not yet scored. The tourna-
ment is just half over, so that the
three first teams each have a good
chance at taking first honors. The
St. Louis society, however, will have
to do some phenomenal playing to
make up their lost ground. The T.
A. B. and Lafayette club play Thurs-
day night, and the St. Louis society
and the Temperance players meet on
Friday evening.

Local Mention.

A baseball meeting was held Mon-
day evening to discuss arrangements

put up through the courtesy of Napo-
leon Parent.

Burgars Enter Broadwa Parsonage

Broke in Rear Window and Stole Tools Belonging to
Workmen—Stolen Goods Recovered and Arrest of
Guilty Ones Expected.

Before it has been occupied as such,
the Broadway church parsonage, for-
merly the Rawson property, in Union
street, now the property of Broadway
Congregational church, has been en-
tered by burglars and a quantity of
goods taken away. The break was
made some Saturday night at the
rear of the house. At the present time
the house is undergoing changes and
alterations, and electricians have been
at work there wiring it for electricity.
The time the entrance was made is
not definitely known, but a back win-
dow was broken, after which it was
possible to unfasten the catch and
raise the lower sash, and it is supposed
the burglars got in that way. They
took what was available, a quantity of
tools belonging to the workmen, and
made good their escape.
As soon as the workmen had occa-
sion to use their tools and found them
missing, Mr. Murphy was informed of
the loss and also of the circumstances
pointing to the way an entrance was
gained to the building. He has been
at work on the case and on Tuesday
located the stolen property, which is
valued at about \$10.

The police know who the guilty par-
ties are and it is expected that they
will be in the toils of the law within
a short time.

This is the first case of breaking and
entering in some time, with the ex-
ception of the horse theft of last
month in a rear window. However,
about midnight, Mrs. John A. Holland
of No. 426 Asylum street was disturbed
by a man opening what she thinks was
the cellar door of her house. The dog
barked and the man ran across the
street, and she called out to him.
Captain Linton, to whom the matter
was reported, sent a policeman to in-
vestigate, but no trace of anyone could
be found.

COMSTOCK SEES A
CHANCE FOR DEMOCRATS.

Thinks Judge Baldwin an Ideal Man
for His Party to Nominate.

The Hon. Charles W. Comstock of
Montville, chairman of the demo-
cratic state central committee, was
in town Tuesday, says the New Haven
Union attending the session of the
United States court. When seen by
a Union man in regard to his views
politically, Mr. Comstock expressed
himself very hopefully for the party.
Comstock was quite enthusiastic
when talking about the political out-
look and said this was the time for
the democrats to go in and win.

"Do you believe the democrats can
carry the house of representatives, Mr.
Comstock?"

"Sure I do. The party is almost
sure to elect a majority in the na-
tional house this fall," he replied.

"How about the nomination for gov-
ernor?"

"I think Judge Baldwin is an ideal
candidate for the democrats to nom-
inate. I don't think a better man
could be found than he."

If Judge Baldwin is nominated,
would you favor a man from the eastern
part of the state for lieutenant gov-
ernor, Mr. Comstock?"

"Well, I can hardly say now. I in-
tend to confer with some of the New
Haven democrats before I return to
secure their ideas about the situation."

Mr. Comstock was hardly prepared
to express himself on the candidacy
for president without actually seeing
the ticket. He thought the ticket was
very good for the democrats. He was
of opinion that for the past few months
the democrats had been shaping them-
selves altogether favorably for the election.

Another subject of the politician at-
tending the United States court today,
is Michael Kennedy of Stamford, chair-
man of the republican state central
committee. Chairman Kennedy was
asked by the Union whether he would
be a candidate for chairman again,
but he said he knew nothing about it.
He had nothing to say politically.
